

Vision Painting Inc. Safety Management System

Spill Prevention & Response Plan

**Vision Painting Inc.
2404 W New Bern Rd
252-527-8883
Kinston, NC 28504**

1. Spill Prevention:

Ensure all hazardous substances are properly labeled. Store, dispense and/or use hazardous substances in a way that prevents release. Train all employees in proper handling, storage, use, and disposal of used chemicals. Provide secondary containers when storing hazardous substances in bulk quantities (>55gal). Maintain good housekeeping practices for all chemical materials at the facility.

2. Spill Containment:

The general spill response procedure at this facility is to stop the source of the spill, contain any spilled material, and clean up the spill timely to prevent accidental injury or other damage from occurring. Because of the low potential for spills occurring at this facility the most likely spills to occur are small or incidental spills.

Small spills will be contained by site personnel if they are able to do so without risking injury. Spill kits are located at the following location: **2404 W New Bern Rd Kinston, NC 28504** Ensure spill cleanup materials are properly characterized before disposal.

3. Emergency Procedures:

- Immediately call **911** in the event of injury, fire or potential fire, spill of a hazardous substance that gives rise to an emergency situation, or release of a hazardous substance to the environment (i.e. ground, surface water, floor drains or storm water drains).
- If a hazardous substance spill has been released to soil, surface water or drains the following notifications must be performed:

Sam Pike / Jackson Minyard

NC State Department of Pollution

Lenoir County Health Department

NC State Water/Wastewater Management

252-527-8883

(877)-623-6748

(252) 526-4200
